

# Florida Disclosure of Conflicting Interest

Pursuant to Florida Statutes Ann. 494.0023

You are required to purchase additional products or services as a condition of obtaining an extension of credit on the above referenced property.

You are advised that Michigan Mutual, Inc. has a conflicting interest in this mortgage transaction in regards to the following products or services

<b>Products or Service</b>	<b>Name of Provider</b>
Appraiser Management Company	Priority Appraisal

The conflicting Interest is due to the following:

One or more persons or such person relative sits as an officer or director or performs similar functions as an officer or director, for both us and the person providing the additional products and services.

Michigan Mutual, Inc. may receive a financial benefit as a result of the conflicting interest.

You are not required to purchase additional products or services from any person or entity suggested or recommend by us. However, we hereby reserve the right to approve the person or entity you select which approval may not be unreasonably withheld.
